Our team members are part of the team that makes NMIT a valuable and integral part of the Nelson region through our relationships with students, Iwi and the wider community.

Kia ora

Our role in the People and Organisation Development team is to support all of Team NMIT in contributing to a great experience for our learners on their way to becoming work ready, world ready graduates.

We are committed to being part of a caring and compassionate team that encourages open and honest communication, co-operation and collaboration.
